

# Billing Transparency Notice

**Southeastern Endoscopy Center LLC** is committed to providing clear and accessible billing information to help patients make informed decisions about their care.

In compliance with **federal and Georgia state laws**, including the **Hospital Price Transparency Final Rule** and **Georgia Senate Bill 505**, we provide the following:

## 1. Standard Charges Disclosure

We make available a file containing standard charges for all services we offer, including:

- Gross charges
- Discounted cash prices
- Payer-specific negotiated charges
- Plain language descriptions
- Pricing details for each service

## 2. Surprise Billing Protections

Under the **No Surprises Act** (45 CFR Part 149), patients are protected from unexpected bills for:

- Emergency services
- Non-emergency services by out-of-network providers at in-network facilities
- Air ambulance services

You have the right to receive a **Good Faith Estimate** of expected charges before receiving care if you are uninsured or self-paying.

## 3. Contact Information

For questions about billing or to request a Good Faith Estimate, please contact:
